## ***General Registration Instructions for New Graduate Students***

- **All new students are required to register for Fall 2009 classes by 5:00pm on Friday, July 31, 2009 using *MyAccess*.** For guidance on how to access and use *MyAccess*, carefully read through the following web page:  
<http://uis.georgetown.edu/banner/myaccessstudenthelp.html>
- **Note that you can only register once you have received your NetID and password.** For information about the NetID, please visit the following website:  
<http://uis.georgetown.edu/students/new.students.html>.
- Referring to your program's curriculum, determine your fall schedule of classes based on either full-time or part-time status. The Fall 2009 schedule of classes is available online at the Registrar's website: <http://registrar.georgetown.edu/>.
- If you are a **part-time student**, it is imperative that you complete a plan of study with your program director so as to ensure accuracy in reaching your career goals. Please make an appointment as needed with your program director:  
Health Systems Administration.....Bernard Horak  
Acute and Critical Care NP and CNS.....Karen Kesten  
Family Nurse Practitioner.....Kathy Ellis  
Nursing Education.....Sharon Radzyminksi
- Students who are unable to obtain web access should contact their academic advisor in the NHS Office of Student Academic Affairs (please see page 20 for contact information).
- Registration is processed in real time, so we encourage you to register early in case there are questions or concerns about your course requests.
- It is essential that all students maintain accurate biographic and address information in the University's Student Information System through *MyAccess*. **Please review and correct your biographic, address, e-mail, phone number, cell phone number and next-of-kin information in *MyAccess* by the end of July.** It is important that you keep this information up-to-date during your career at Georgetown by using *MyAccess* to report changes as they occur.
